About Developers

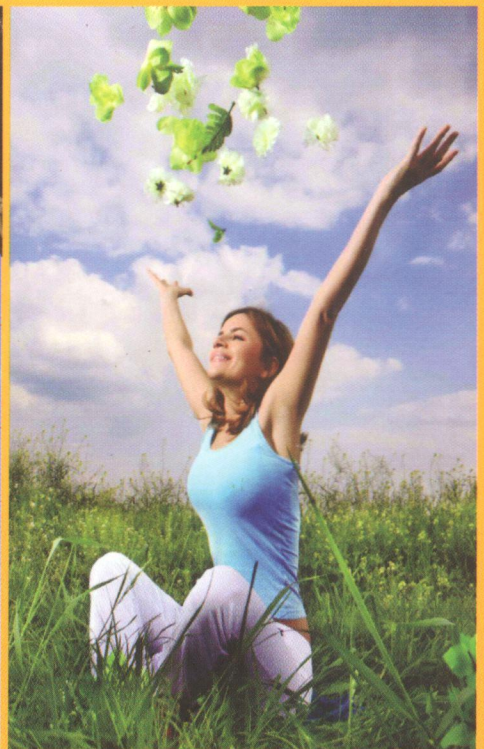

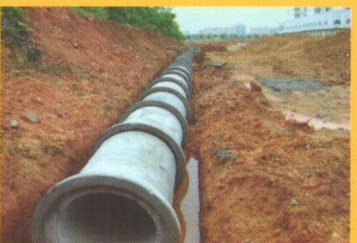

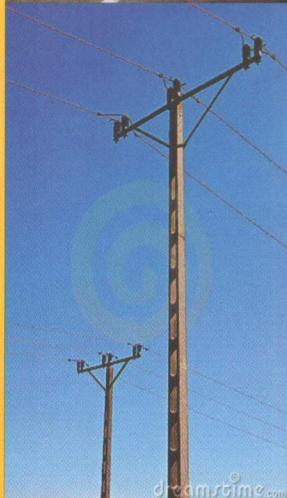

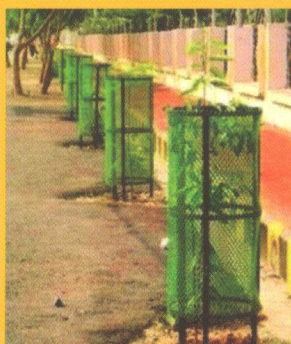

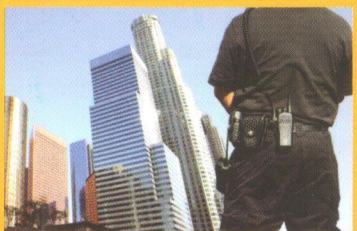

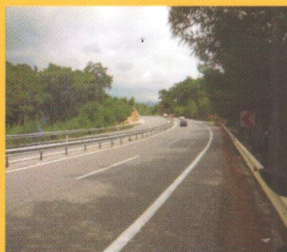

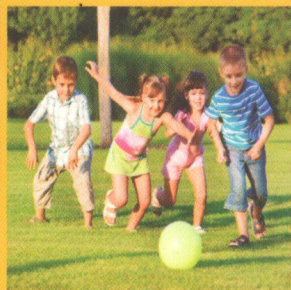

SSC Group of Companies are committed young professionals with a great vision and ambitious plans to develop their landmark project with State of the Art facilities and amenities and best of specifications. In an endeavor to bring out the quality product as their top most concern they have hired well placed and reputed designers and consultants on this project. Besides this, there are other promising projects lined up for their launch shortly in the coming months.

The group is widely recognized across the country for its path-breaking and visionary contributions to the building of modern infrastructure, through its pioneering role as a real estate developer who has transformed the urban landscape of the city by setting new standards in the housing and urban development . Besides this, there are other promising projects lined up for their launch shortly in coming months.
